_____ (Signature of person authorized to sign)				BY _____ (Signature of Contracting Officer)		19-Jun-2001	

## Changes in Section SF 30

**QUESTION:** We are in receipt of Amendment 0004 on the above referenced solicitation and have a question on the same. Optional bid item Number 0003, requires removal and disposal of all material representing 1 foot of overdepth for the material identified in the Basic Work, Item 0002. It is unclear from the amendment as to whether the Corps will require removal of all material above the plane of 41 feet MLW or if only that material between 40 feet and 41 feet will simply be paid for if removed but not required?

**ANSWER: (1)** The Optional Work, if exercised, would incorporate 1 foot of allowable overdepth, below 40 feet MLW, into the contract as payable, but not required, dredging.

(2). Attention must be paid to Note Number 5 of the Bid Schedule addressing materially unbalanced bids.

c. NOTE: Bidders are required to acknowledge receipt of this amendment by the date specified in the solicitation (or as amended) by one (1) of the following methods: on the space provided on the DD Form 1442; by separate letter or telegram; or by signing Standard Form 30, Blocks 15a, 15b and 15c. FAILURE TO ACKNOWLEDGE THE AMENDMENT(S) BY THE DATE AND TIME SPECIFIED MAY RESULT IN THE REJECTION OF YOUR BID IN ACCORDANCE WITH THE LATE BIDS, LATE MODIFICATIONS OF BIDS OR LATE SUBMISSION OF BIDS.

d. All other factors remain the same.
